Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Since bursting onto the scene in the mid 70s, the pop duo Captain and Tennille have long defined the sparkling, optimistic idea of everlasting love, both in their music and through their image as a happy and, seemingly, unbreakable couple. They were an irresistible pair to millions of fans all over the world, further underscored by the rousing yes, we can! gospel of their biggest hit, Love Will Keep Us Together. But underneath the image was an entirely different story that the fans never saw: a woman who fought a lonely struggle against the controlling and often bizarre behavior of her emotionally inaccessible husband. Toni Tennille: A Memoir is a visceral account of Toni Tennille s life from her childhood in the segregated South to her thrilling rise to fame in the world of pop music to where she is now: no longer one-half of a famed couple but a stronger woman for all she has experienced--both the good and the bad. Toni hopes that her story will help anyone who feels trapped in a toxic relationship realize that it is never too late to break away from it.
