

Rc Pilot s Flight Log - Blue (Paperback)

By 8mm Notch Publishing

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.After the recent event of having to register your Quadcopter for flight, the FAA will no doubt require you to keep a log book on your flying hours and aircraft maintenance in the upcoming future, whether you are a hobbyist or professional. So, why not get a head start with the RC Pilot s Flight Log? Over 100 pages means over 100 flying sessions can be accurately recorded. The prompts on the header of each page gives a clear indication of the time, duration and location of the flying session, with the rest of the page being used for noting down on any platform maintenance undertaken. Available in red, grey or blue, the RC Pilot s Flight Log is a great addition to your drone carry case for when you want to go out to the field.

Reviews

This ebook may be worth a read, and far better than other. It is among the most incredible ebook i have read. You will like the way the article writer publish this publication.

-- **Candace Raynor**

It in just one of my personal favorite publication. It is among the most awesome publication i have read. It is extremely difficult to leave it before concluding, once you begin to read the book.
