By Nikolaj V Morozov

Zhivoj Jazyk, United States, 2014. Paperback. Book Condition: New. 244 x 170 mm. Language: Russian . Brand New Book ***** Print on Demand *****.The present Dictionary contains over 50 000 terms, combinations, equivalents and meanings related to the oil and gas sphere: drilling and completion of the wells, their operation and maintenance, technologies and equipment, petrochemistry and oil refining. Found in the Dictionary are also the terms covering some adjacent fields: economics, environmental protection, transport, construction, laying and operation of the pipelines, etc. The most frequently used examples of professional colloquialisms are included in the Dictionary. All the terms for the present Dictionary were chosen from the specialized literature: modern dictionaries, reference books, monographs, respective periodicals and some other sources. The American spelling is used throughout the Dictionary, but some terms usable only in Great Britain are also included in the Dictionary. The Dictionary has been compiled to meet the needs of the oil and gas industry specialists, professors, instructors, postgraduates and students of the respective colleges and universities, translators of the technical literature in English.
